

Modern Soccer Academy

www.modernsoccernd.com

Dear Potential Sponsor,

Modern Soccer Academy (MSA) has provided our children from Passaic county and the children of neighboring towns such as from Totowa, Paterson, Hawthorne, Woodland Park and Little Falls with a safe, fun filled environment to learn and play Soccer.

Our non-profit organization is geared towards providing an outlet helping youths build a foundation for growth and development through sportsmanship, physical fitness, team work, establishing and achieving goals and fair play. Each time we strive to improve the quality of the program!

In order to continue to provide the children with these opportunities, we need your support... In an effort to keep our player registration fees affordable for families with low income , we greatly rely upon the generosity of small businesses and corporate sponsors, private donations and fundraising efforts to help defray these costs.

Contributing to **Modern Soccer Academy (MSA)** demonstrates your support for the youth of your community. We ask that you become a sponsor this year – join our team and participate in the fun!

Please feel free to contact us with any questions and/ or comments you may have regarding the program.

Thank you in advance for your consideration and support of **MSA** ~

Sincerely,
Niksa Dobre
Coach, Founder of
Modern Soccer Academy
